Introduction - Survey

No.	Title Option
1	Inclusion in "CoFund ERA-Net "SusCrop" in H2020 Work Programme 2016 – 2017
2	Funding a "secretariat" for a self-sustaining network (Euphresco model)
3	Establishment of a core group of 3-4 C-IPM partners to maintain network
4	"Follow-up" (C-IPM plus) CoFund ERA-Net in H2020, Work Programme 2018 – 2020
5	Combination of Option 1 + Option 4
6	Combination of Option 1 + Option 3
7	Combination of Option 3 + Option 4
8	CoFund EJP (European Joint Programme) for sustainable/ integrated plant protection H2020 Work Programme for 2018 – 2020

- **in context with:**
 - **the Draft Background Document "To develop options for future European IPM-research network"**
 - **Possible scenarios/options for a follow-up project/network of C-IPM-Draft table for C-IPM DL1.7**
- **5 one-step and 3 two step procedure identified**

(European Joint Programme) for sustainable/
integrated plant protection H2020 WP 2018 – 2020**

Requirements	Time table	Risks
<ul style="list-style-type: none"> ➤ Involvement of C-IPM partners in drafting proposal & initiation of EJP in H2020 Work Programme for 2018 – 2020 topics (in consultation with national representatives in the H2020 WP 2018-2020 Programming Committee); ➤ 5 research programme owners or managers (mandated) from different Member States or associated countries ➤ description of activities for whole period and annual work programme; ➤ up to 70% re-imburement of eligible costs 	<ul style="list-style-type: none"> ➤ Start drafting Work Programme Oct. 2016-June 2017 ➤ Adoption of Work Programme Oct. 2017 ➤ Calls End 2017-Summer 2018? 	<p>Activities unclear</p> <p>Too few interested partners</p> <p>Lack of support in H2020 WP 2018-2020 Programming Committee</p> <p>Administrative issues (reporting; re-funding EC etc.)</p>

Option 2 - Funding a "secretariat" for a self-sustaining network (Euphresco model)

Requirements	Time table	Risks
suitable "umbrella" organization for hosting the secretariat & providing the necessary infrastructure sufficient to handle the research funders network independently	Start 1st quarter of 2017	Too short termed to establish "umbrella" organization which is fully operative
possibility to include different types of funding organisations (according to their research programmes)		
clarification of the type of contributions for the "membership" and for calls (through "fees" only, or separate for both purposes?)		

Option 3 - Establishment of a core group of 3-4 C-IPM partners to maintain network

Requirements	Time table	Risks
Partners with capacity (infrastructure, staff, resources generally) for the management network activities and willing to engage (voluntary, without EC-funds)	Start 1st quarter of 2017	No suitable core group partners identified until the 4th quarter of 2016

- ❖ temporary option
- ❖ No C-IPM 3rd call (as 1st call projects only starting and 2nd call projects will start 2017), but instead workshops and meetings especially with/for C-IPM-partners in 2017 (bridging function)
- ➔ Keep the continuity/momentum of C-IPM ERANET
